THERAPY HORSES

hooved angels healing hearts & minds

comfort healing happiness

Mini Therapy Horses is an all volunteer 501(c)(3) nonprofit charity. Our team of tiny horses visit over 50,000 children and adults in need each year in Los Angeles and across the United States.

Our Mini Therapy Horses are first responders to people of all ages who have experienced traumatic events.

These little horses help people in crisis from the children and staff who lost their teacher in the Las Vegas shooting, to the survivors of the San Bernardino tragedy. They love visiting the children staying at **Ronald McDonald Houses** for medical treatments and procedures. The horses also visit the veterans in the **Greater Los Angeles Veterans Hospital**, including the Intensive Care Unit, Psychiatric Wards and Oncology.

Mini Therapy Horses provides their team of miniature horses to the **Los Angeles Mayor's Crisis Response Team**. These highly trained Mayor's Crisis Response Team handlers offer resources and support to survivors of traumatic incidents city-wide.

These little horse heroes are part of the **Los Angeles County Sheriff Department's Civilian Volunteer Program** helping children and adults in crisis and in community outreach events. In 2015 our little horses participated in the Special Olympics World Games comforting athletes before competition. Therapy horse, Pearl, joined Sheriff Jim McDonnell and the LASD Mounted Unit in the 2016 Rose Parade. Mini Therapy Horses, with all our 7 horses, will be participating in the 2018 Rose Parade.
